FORMED to be SENT:

We will spend time in our worship services being taught by pastors from within the conference about the need to ask and allow ourselves to be formed and transformed by Jesus through scripture. Based on the passage Isaiah 6: 1-8 we will learn and discuss the ways in which we too must first, sit at the feet of the throne of God, worshipping and emptying ourselves before being transformed and finally, sent. We will dig into assessing the ways we need to allow that transformation to happen to us and how we can work toward it. Only after we have sat with Jesus, emptied ourselves, and been transformed are we able and ready to be sent to do the work he has called us to. Being SENT is the outward thrust of a life that is FORMED by Christ and centered in his kingdom.

Meals/Registration: Registration deadline is July 5. All registration is FREE (free will offerings will be collected to help cover assembly expenses). Only a Saturday noon meal is being provided.
